Roger Bourgeois

Superintendent-Director

To the Class of 2015,

As the Superintendent-Director of Greater Lowell Technical High School, it is my pleasure to congratulate the Class of 2015 on your graduation from Greater Lowell Technical High School.

Benjamin Franklin once said “HE THAT HATH A TRADE; HATH AN ESTATE”.

What a great quote for graduates of a technical high school who have complimented their academic studies with a comprehensive career-focused education in one of twenty-three technical majors. Most of you have already experienced employment success through participation in the cooperative education program. Many of you have demonstrated technical skill proficiency through district, state, and national SkillsUSA competitions and, some of you have already acquired valuable licenses, credentials, and certifications recognized nationally by industry and locally by several state boards of professional licensure.

You have a trade! You have begun a journey at Greater Lowell Tech to acquire and master the skills necessary for successful careers in the 21st century workforce.

You can have an estate! But, you must be persistent in pursuing your chosen career path while constantly working to continue your growth and development as a craftsman, technician, and professional.

Please keep in mind that as an Alumnus you will always be a valued member of our learning community. I hope that you will come back to visit us often and participate in many of the activities that support our students and school.

Your futures are bright and full of promise and I have no doubt that you will enjoy a most rewarding and fulfilling life, both professionally and personally.

Congratulations class of 2015!

Sincerest Best Wishes,

Roger Bourgeois
